Re: ***Notice of Oral Ex Parte Communication***
Reporting Requirements for U.S. Providers of International Telecommunications
Services, IB Docket No. 04-112

Dear Ms. Dortch:

This letter is to inform you that on June 10, 2011, James Talbot of AT&T Inc., Jacquelynn Ruff of Verizon, and Marybeth Banks of Sprint Communications Company L.P. ("Sprint"), met with James Ball, David Krech (by phone), Mark Uretsky, Troy Tanner and Linda Blake of the International Bureau to discuss the above-referenced proceeding. We discussed the current reporting requirements of Section 43.61 of the Commission's rules and the reports that will be due on July 31, 2011. We also discussed the reporting requirements adopted in the First Report and Order and the elimination of the quarterly large-carrier reports required by Section 43.61(b) and of the requirement to report separately off-shore U.S. points for the annual report required by Section 43.61(a). We explained the significant amount of time these reports require to prepare. We proposed seeking a waiver of filing the quarterly report in its entirety on July 31, 2011 and of the separate reporting of off-shore U.S. points for the 43.61(a) reports that are also due on that date before the new reporting requirements will become effective.

Pursuant to Section 1.1206 of the Commission's rules, this letter is being electronically filed with your office. Please let us know if you have any questions regarding this filing.

Respectfully submitted,

Marybeth M. Banks
